English Martyrs' Catholic School has a Restaurant which serves a variety of hot meals and a Café which serves Sandwiches and Snacks. The school operates a Cashless Catering system for payments. Each student is given a catering card and when they purchase food or drink from the Restaurant or snack bars all payments will be made using this card. Credit may be put on the card either using the online payment system via the school website or by using the cash machines in school which takes coins and notes. Students who receive a Free School Meal will have their cards automatically credited on a daily basis. Parents can top up the catering card on line as well as see the students catering card balance and purchase history.

If a student forgets or loses their card then a temporary pass will be issued at the School Office which should be re-paid the following day. If a student card is lost then this card will be cancelled and a replacement issued for an administration fee of £1. The account credit is preserved. **Students are not allowed to purchase food for other students.**
