

Carousel is split into two rotations of four weeks.

NC Link:

Select from a complex range of Materials, components

Soft Sculpture

Masterpiece
Creating a felt soft sculpture inspired by the artwork of Holly Levell

STOP

NC Link:

Use of different technologies

NC Link:

Select appropriate tools, techniques and processes

Die-Cut Felt Shapes

Learn the difference between a digital and manual die-cut machine and cut so sample felt shapes.

Embroidery

Recall previous knowledge of the surface decoration technique 'embroidery' and create an embroidery sample including decorative stitches.

NC Link:

Select appropriate tools, techniques and processes

Observational drawing

Creating an observational drawing of a piece of packaging using the shading techniques learnt.

NC Link:

Use a range of methods to develop and communicate design ideas

NC Link:

Select appropriate tools, techniques and processes

Applique

Learn about the surface decoration technique 'applique' and create an applique sample.

Drawing and Shading Techniques

Exploration of different ways of shading or 'rendering' an observational drawing.

Holly Levell
Study and exploration of the work of soft sculpture artist Holly Levell.

NC Link:

Analyse work of others to develop understanding
