Students will undertake a crash course in units 9-12. They will engage in retrieval practice and look to fill in any gaps of subject knowledge.  Students will engage in revision activities and strategies to retain information and prepare effectively for the final exams.  Targeted revision sessions will run throughout this period of time. After school drop-in sessions will be offered.	Students will use Exam Pro to further their learning and familiarise themselves with exam technique.  Students will undertake a crash course in units 1-6. They will engage in retrieval practice and look to fill in any gaps of subject knowledge.  Students will engage in revision activities and strategies to retain information and prepare effectively for the final exams.  Targeted revision sessions will run throughout this period of time. After school drop-in sessions will be offered.		
<b>Understand...</b> What Catholics believe about the nature of God, the nature of humanity and creation <b>Discern...</b> Whether it is possible for religious and scientific beliefs to coincide <b>Respond....</b> How should Genesis 1 and 2 be interpreted? Are Catholics right to reject literalist interpretations?	<b>Understand...</b> What Christians believe and proclaim about the person of Jesus Christ <b>Discern...</b> Is it acceptable to use religious art to portray the person of Jesus Christ? <b>Respond....</b> If sacraments make God's love visible, why do we need them if Jesus has already done that?	<b>Understand...</b> The need to identify gaps in knowledge and to be proactive with revision <b>Discern...</b> Where most work is needed, and which revision techniques are the most effective <b>Respond....</b> Does anybody around you need your help? Could you give any of your time to help a fellow student?	<b>Understand...</b> The need to identify gaps in knowledge and to be proactive with revision <b>Discern...</b> Where most work is needed, and which revision techniques are the most effective <b>Respond....</b> Does anybody around you need your help?
