Dear English Martyr's Catholic School

Thank you so much for your continued support

I would like to say an enormous thank you for English Martyrs' Catholic School's generous donation of £272.60 to support our vital work during these difficult times.

The cost of living crisis is still not over with many more families facing hardship, and with winter arriving quickly more people will be needing our help in the coming months. Your support will ensure that local people and children in need will have essential items that we all deserve, to be warm, safe and fed.

Due to our unique way of working, untapping funds from charitable trusts, your donation will provide over £1,350 of essential items. On behalf of all the local vulnerable people and children you will help, I would like to say a most sincere and heartfelt thank you.

We simply cannot keep our vital service running, which is needed now more than ever, without your continued support. Your incredible donation will change lives during these very challenging times.

Thank you once again for your extremely generous and kind support.

Very best wishes,
