Dear Year 8 students,

Thank you so much for the wonderfully decorated gift boxes you put together for our group members. We really appreciate your thoughtfulness, kindness and generosity. They all look fantastic and the contents are exactly what are group members need

We will be giving them out at our party on Wednesday and I know that everyone will be overjoyed to receive them.

Thank you again for thinking of us and taking the time to donate such excellent gifts.

With best wishes for Christmas and the new year.
