Dear Parents/carers,

We know that choosing the right school for your child can be an overwhelming decision with so many factors to take into account. At English Martyrs' Catholic School we believe that students will succeed through experiencing community based on gospel values, where each person has opportunities to explore their faith. We offer:

- A stimulating and vibrant learning environment with excellent facilities
- An appropriate and challenging curriculum
- A supportive and inclusive school where we give the freedom and space for students to develop their own talents
- A community which values links with home, school, parish and wider community
- Professional, motivated and supportive staff who have high expectations of students and who offer opportunities for students to understand society and equip them with the skills to face the challenges they will meet

We are looking forward to welcoming you to our school.
