

Year 7 - Religious Education

Missionary Discipleship

‘I prefer a Church which is bruised, hurting and dirty because it has been out on the streets’ (Pope Francis, Evangelii Gaudium 49)

Does God really exist? Why did God create the universe? What does it mean to be human? Does my life have any real meaning and purpose?

The theme of this year is **‘missionary discipleship’**. We begin by asking questions about how we come to **encounter** God in our lives. We consider whether God has a plan for each of us and how we might begin to put our **faith in action**.

Unit 1 – Encounter (Creation and Covenant)

Unit 2 – Sacred Scripture (Prophecy and Promise)

Unit 3 – God the Son (Galilee to Jerusalem)

Unit 4 – The Eucharist (Desert to Garden)

Unit 5 – Mission (Ends of the Earth)

Unit 6 – Dialogue (Encounter and Dialogue)

Our year 7 course is innovative and inspiring. It challenges students to work in a variety of different ways including creatively and collaboratively through exciting activities such as our popular ‘Presepe’ project. We encourage our students to be imaginative and highly inquisitive as they search for deeper meaning and truth. Students will develop their oracy skills as they interact with one another through discussion, debate and public speaking tasks. They will improve on their ability to work in teams as they are set group projects and challenges. Students will have access to Kerboodle throughout the year. This digital learning package helps students retain their subject knowledge with weekly quizzes and offers access to a wide range of other resources.
