

Welcome to Year 10 Parents' Information Meeting

Our Mission at EMS

English Martyrs', as a **community**
centred in Christ strives to **develop**
the **talents** of **each** person

‘May they all be one’

The School Prayer

Lord Jesus Christ
Make me a better person
Considerate towards others
Honest with myself
Faithful to you
Help me to find my true vocation in life
And so to find happiness myself
And bring happiness to others

Amen.

Examination Results

WORK EXPERIENCE PARENT PRESENTATION

English Martyrs Catholic School

English Martyrs
Catholic School

WHO ARE LEBC?

- Educational Charity - getting students prepared for the transition from School to the World of Work
- We ensure your young people are as safe as possible while on placement - We risk assess every placement, put together a job description, risk assessment, check information regarding safeguarding, and check insurances.
- We are here for you every step of the way through the work experience process
- We have close relationships with employers who take on students each year.

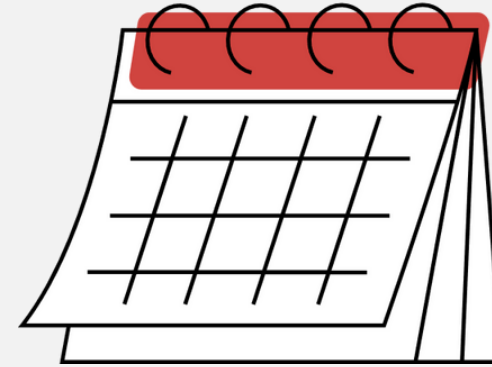

WHAT IS WORK EXPERIENCE?

- One week spent with an employer. Typically Mon-Fri although this can vary depending on the sector!!
 - A chance for the students to experience a real working environment
 - A great way to gain new skills and enhance transferable skills.
- Colleges, Apprenticeships, part time jobs etc all expect students to have work experience!

ALL STUDENTS HAVE THE OPPORTUNITY TO TAKE PART!

PLACEMENT DATE: 11th May 2026

BENEFITS OF WORK EXPERIENCE

- The Ability to see and work within a real business.
&
A great chance to see if a job sector is what they expected.
- It is a great experience to put on future applications.
- It could lead to part-time work or an apprenticeship!
- A chance for students to start networking in your local community.
- An opportunity to understand realistic working expectations!

WHAT DO STUDENTS HAVE TO SAY?

85% of students now feel that they can make a positive contribution to the workplace

79% of students feel more confident following their placement week

80% of students feel they have improved their communication skills

70% of students say they have developed new skills.

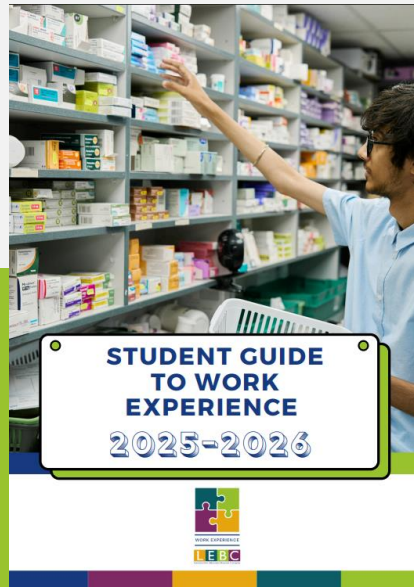

STUDENT FEEDBACK

“I loved my experience at my placement it was so beneficial and made me more confident, my employer was kind,... as well as the whole team they were so supportive and patient with me throughout the whole week.”

“I have really enjoyed and had a good time helping out, my employers have noticed this too and in the future I’m hoping to do an Apprenticeship there.”

“I think that work experience is very beneficial and I felt less concerned about the future by the end.”

Self-Placement Form

SELF-PLACEMENTS!

9

What is a Self-Placement?

Students seek their own placements! They choose where they go!

What should your young person do?

- Research companies in their chosen sector.
- Ring them up and ask them if they have availability to support students.

-If they can support – get them to complete the Self-Placement Form.

Benefits of a Self-Placement

- Students get to choose where they go on work experience.
- They know where they are placed ahead of time. App form students do not find out until 6 weeks before!
- They have the chance to speak to the employer before they start their placement.

The choice is theirs!!

APPLICATION FORM

SELF PLACEMENTS

A Self Placement is compulsory for: DANCE, MEDIA, THEATRE, UNIFORMED SERVICES and NHS HOSPITALS. Please **DO NOT** put these as a preference below as we will be unable to find you a placement and this will delay your application!

WORK EXPERIENCE PREFERENCES

* SPORT AND LEISURE: Compulsory swim test for placements, details of the swim test are in the student guide.

Do not tick Sport and Leisure if you are unable to swim.

Please choose 3 sectors from the sections below you can have a maximum of 1 choice in section 2.

Section 1

<input type="checkbox"/>	Business Administration, Finance & Legal	<input type="checkbox"/>	Hair and Beauty
<input type="checkbox"/>	Engineering & Manufacturing	<input type="checkbox"/>	* Sport, Active Leisure & Tourism
<input type="checkbox"/>	Environmental & Land-Based Studies	<input type="checkbox"/>	Retail Business
<input type="checkbox"/>	Education, Training and Childcare	<input type="checkbox"/>	Catering & Hospitality

Section 2

<input type="checkbox"/>	Information Technology
<input type="checkbox"/>	Construction & the Built Environment
<input type="checkbox"/>	Creative and Media
<input type="checkbox"/>	Health and Care

- This form needs to be completed in as much detail as possible!

- Students MUST use the directory to make their choices! This will tell you which placements are SP only/advised!

- Students can pick a maximum of 1 sector choice in section 2!

TRAVEL AREAS

- What is in the local area?
- What are the bus routes like?
- How is your young person getting there?
- Are there many placements in their chosen sector, available in the places they can travel to?

AVAILABLE PLACEMENTS

On some occasions we are unable to place you in your preferred sectors and travel areas. You will be able to select a placement from a bank of available placements.

WHAT OUR STUDENTS SAY ABOUT AVAILABLE PLACEMENTS:

92% Felt supported by their employer

82% Noted an increase in their confidence

86% Felt they made a positive contribution to the work place

All forms should be brought back into school by the deadline given. These will then be given to LEBC

Students find out about their placements approx. 6 weeks before placement date

All paperwork should be signed and students will be starting their placement on the first day!

Students find their self-placements/select their sector choices

LEBC start to visit all placements for a H&S visit. LEBC start to source placements for application form students.

Students contact their employers for interview. Alternatively, those unplaced can choose an available placement.

WHAT YOU NEED TO KNOW

- All contact will be through school. You will not hear from LEBC
- It is mandatory for students to arrange their interviews. This cannot be done by parents.
- There are limitations to what your YP can do on work experience due to age.
- Once a placement has been secured, there is no option for change.
- All App forms are approved & signed by yourselves. Please make sure you have checked your YPs travel and sector choices.
- LEBC will let the school know if we are struggling to get in touch with the SP employer. We may ask for more contact details.
- YPs will find out their placement once the paperwork comes in to school - approx. 6 weeks before.
- For any queries/updates, see the school coordinator

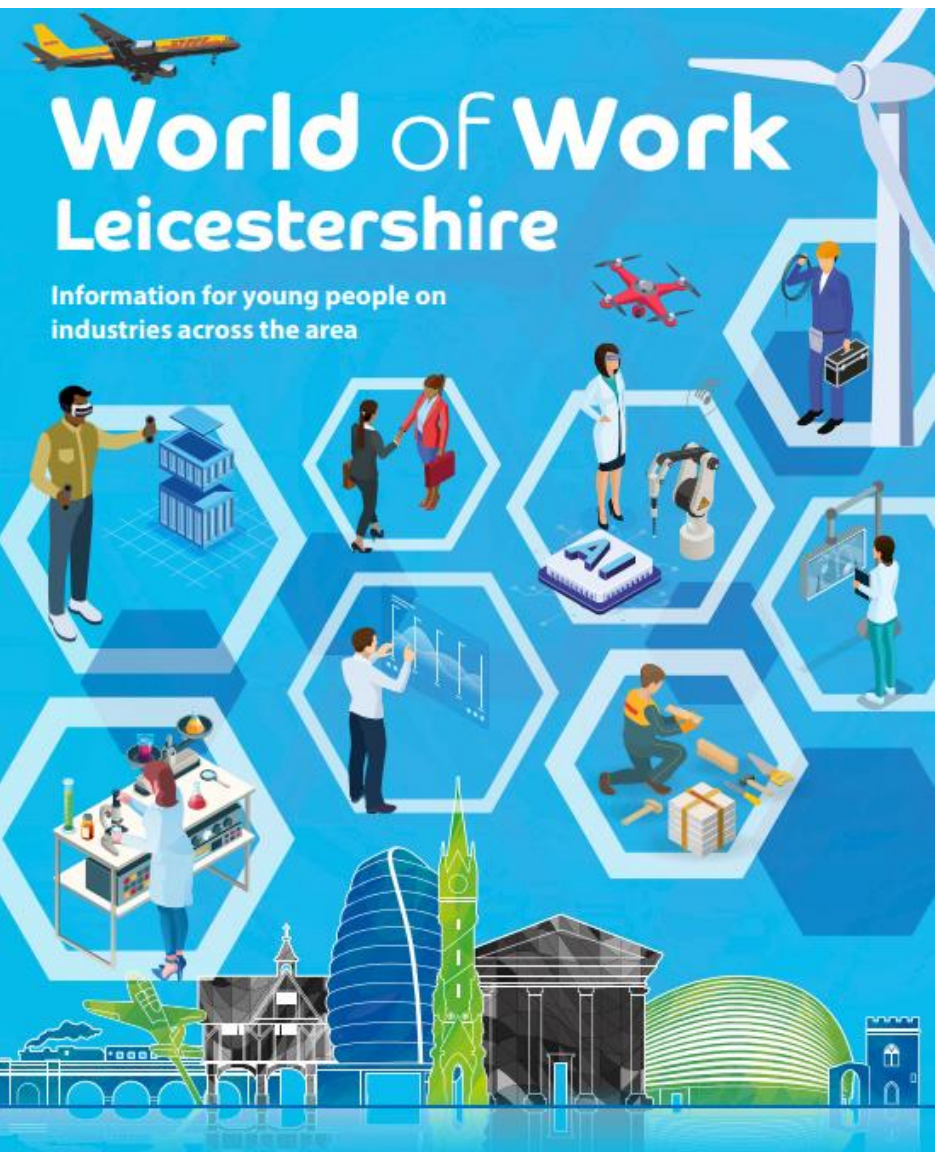

THANK YOU!

ANY QUESTIONS?

English Martyrs
Catholic School

Labour Market Information (LMI)

What is Labour Market Information?

What skills and qualifications employers are looking for.

Which industries are recruiting and where they are located.

The number of people in certain types of jobs.

Growing or declining job areas and employment trends.

What it is like to do a certain job and how much you may earn.

What is changing?	How can it affect jobs?	Impact	Which job areas will be important?
New technology is being developed all the time	Loss of some traditional jobs 	Change in skills needed	Electronics, automation, robotics, cyber security, data science, media
People are living longer 	More support needed for people	Large demand for health and social care	Health care, social care, life sciences, pharmacology
Pace of change is speeding up	New skills need to be learnt quickly	Exciting new opportunities, AI and new technology 	Innovation is desperately needed – flexibility, problem solving, resilience
The skills around the world are improving 	More competition	IT enables people to be delivering work here from other countries	Education, science, engineering, creative, media, finance
Environmental awareness is growing	Research and development on energy saving	Wide variety of roles in all sectors, skilled engineers and mechanics 	Engineering, chemical processing, energy, utilities
Increase in well-being and leisure 	Demand for catering, health and fitness and gaming	Growth in tourism, spa facilities and fitness	Health and beauty, sport, leisure, hospitality

A look at Leicester and Leicestershire

99.6% 
OF BUSINESSES
LOCALLY ARE
MICRO (0-9 STAFF)
SMALL (10-49 STAFF)
OR MEDIUM
ENTERPRISES (50-249 STAFF)

Why work for a smaller business?

Input valued / more variety / quick progression / more contact with senior managers – greater impact.

Employers say...

- Value young people with **good communication skills and strong work ethics.**
- Useful skills include **digital, problem solving, adaptability.**
- Be open to **different sectors**, there are a range of opportunities in most sectors.
- Ideally five good GCSE results including English, maths and science – **strengthened with skills and personality!**
- **Work experience or voluntary experience is valued.**

Health and Social Care

Useful subjects: maths, English, science, ICT, psychology, sociology, health and social care, business studies

Over **350 different careers** in the NHS.

The NHS is the employer that advertises the most jobs locally.

Leicestershire is **world renowned** for services in cardiovascular and respiratory medicine.

Growing use of **technology** in Health and Social Care.

Communication and strong people skills are highly valued!

22% of roles locally are in **nursing** – 94% of graduates are in work within 3 months and UK qualifications are internationally recognised.

Skills and qualities: Communication and literacy, calmness under pressure, customer awareness, negotiation skills, ICT, team working, kind, trustworthy, treating people with dignity and respect...

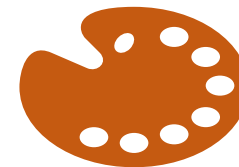

3

Creative

The sector is all about **generating original ideas and products.**

Useful subjects: English, maths, ICT, engineering, art, music, science, psychology, design, chemistry, media

Arts / Culture / Creative Media

Jobs include: Design, film & video production, marketing, advertising, computer game development, animation, music, crafts, photography, museums and galleries and performing arts.

Shortages in skills: 3D designers, digital media technicians / broadcast engineers.

Check out - Rock Kitchen Harris, Twist and Shout, Colab Creation, Bulb Studios

Skills and qualities: ICT, problem solving, attention to detail, teamwork, communication, planning, creativity, presentation skills, leadership, innovation, business and entrepreneurial skills...

Engineering and Advanced Manufacturing

Useful subjects: maths, physics, chemistry, English, biology, ICT, languages, design

Second highest paying sector in the area, accounts for 11% of the regions workforce.

Careers include **research, testing, developing prototypes, production engineering & maintenance.**

Predicted skills shortage in 10 years time / a change in skillset required.

Loughborough Science Park and MIRA Technology Park are leading research and development in Europe.

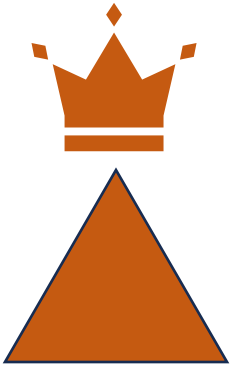

Skills and qualities: Problem solving, communication, creative thinking, leadership, attention to detail...

Logistics and Distribution

Useful subjects: English, business and admin, maths, languages, sociology, ICT, sciences

Golden Triangle of Logistics – transport network.

Sector is set to grow by 10% by 2030.

Magna Park is Europe's largest distribution centre and East Midlands Airport is the UK base for FedEx, DHL and UPS – the UK's busiest cargo airport.

Problem solving skills, adaptability and ability to keep **calm under pressure** are highly valued!

GENERATION LOGISTICS

[Generation Logistics | Where Talent Meets Opportunity](#)

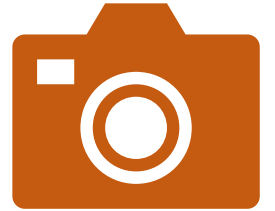

Skills and qualities: Teamwork, communication, attention to detail, problem solving, good organisation, leadership, driving skills...

Digital

Useful subjects: maths, computing, ICT, design technology

Fast growing future proof sector.

AI is profoundly impacting the sector.

Skills are highly valued and much in demand!

Cyber security skills, coding, data analytics are in demand!

Sector employment set to grow 9.8% by 2030.

Area digital skills shortages include: IT technicians, programmers, web developers, cloud engineers, data analysts and computer support roles...

Sport and Physical Activity

Useful subjects: biology, maths, PE, chemistry, English, psychology

Wide range of opportunities include coaching, analysing performance, developing sport related businesses, nutritionists, grounds keepers, physiotherapist, social media and marketing...

Leading sporting teams – Leicester City Football Club, Leicester Tigers, Leicester Riders, Leicester Hockey Club, Leicestershire County Cricket Club, and many more...

Loughborough University is ranked number 1 in the world for sports related subjects.

The top two skills most valued by area employers in sport are: communication skills and teamwork, along with key behaviours such as reliability and collaboration skills...

Construction

Useful subjects: maths, sciences, ICT, geography, design technology, English

A highly **dynamic** and **critical sector**, includes the planning, designing and construction of buildings and infrastructure including roads and railways. Employs nearly 30,000 people locally and if willing to travel offers high wages and great opportunities to progress.

Local companies offer great apprenticeship opportunities including – **Ibstock Brick, Breedon Group, Aggregate Industries, Jelson Homes, Barratt Developments, Galliford Try...**

Sector to grow by 14.8 % by 2030!

Over 180 different roles in the sector, including HR, marketing, surveying...

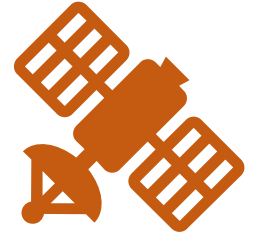

Skills and qualities: Problem solving, attention to detail, communication, team working, leadership...

Space

Useful subjects: engineering, maths, physics, science, IT, geography

One of the **fastest growing** sectors locally! Leicester and Leicestershire is the UK's **leading location** for space.

Space information and research informs our modern life including medical devices, SatNav, climate monitoring and high-speed communications!

Second largest campus-based cluster with a dedicated space focus in the UK. Strong links with Leicester University.

[Home - Space Park Leicester](#)

Skills and qualities: Innovation, creativity, adaptability, problem solving skills, teamwork, communication skills. Additional languages are useful as projects may use international collaboration. Business skills are useful for the commercial sector...

Qualification	Description	Length of time	Assessment	Level of study	UCAS	Entry requirements	Work experience	Can lead to
