OTHER THINGS ACROSS THE SCHOOL

National Careers Week – staff wearing a sticker with "I used to be?"
National Careers Week Quiz – Scavenger Hunt

National Apprenticeship Week

Unifrog – students can log in and find out information about different careers. They have to do a quiz about themselves, and they get information linked to their answers.

Compass+ Tool from The Careers and Enterprise Company which helps benchmark, manage, track and report on the schools' careers programme.

Departments have career displays, either staff highlighting their journey or different careers. Some of these are in classrooms, some are in corridors.

Compass+ – Questionnaire goes out in Advent 1 to get data on school position in each year

Enterprise Adviser – works closely with Careers Lead

Apprenticeship Display board

Careers display in canteen and sixth form block
